# Hamid Moazzami (/hæmɪd/ - he/him)

**Mobile Application Developer**
**Born on 1992**

> "I am a passionate mobile app developer who likes to create amazing stuff. I love the challenges that come with software development. Chasing down notorious bugs and overcoming architectural difficulties.I'm also a nerd. My hobbies include Video games, Movies, Anime, and books. I constantly write extensions for the class of my dreams."
